

## Save A Life – Learn CPR/AED - Classes Being Offered in Green Tree

According to the American Heart Association, 88% of cardiac arrests occur in the home. Cardiopulmonary resuscitation (CPR) can save lives if given properly and immediately to sudden cardiac arrest victims. You can double, or even triple, a victim's chances of survival by performing CPR immediately.

Can you recognize the signs and symptoms of sudden cardiac arrest? Learn how to save lives using CPR, as well as the use of an Automated External Defibrillator (AED), by enrolling in a CPR class. Green Tree is offering four sessions to choose from. Class is approximately one hour. Classes will be taught by MRTSA EMTs at the Green Tree Municipal Center on:

- Tuesday, March 7 - 1:00 p.m.
- Wednesday, March 8 - 1:00 p.m.
- Wednesday, March 8 - 7:00 p.m.
- Thursday, March 9 - 7:00 p.m.

All classes will be held in the Poplar Room of the Green Tree Municipal Center.

Cost is \$30 for MRTSA members or \$60 for non-members, per person. Class sizes are limited and registration will be accepted on a first come, first serve basis. Complete the form below and return it with your payment (cash or check only) to the Green Tree Administrative Office, 10 West Manilla Avenue, Pittsburgh, PA 15220.
