Participate in a watercolor and painting seminar with noted local artist, David R. Csont. He will discuss and demonstrate the elements of color, composition and media as they relate to your individual artistic process as well as share his own step by step approach. We have all stared at a blank page and wondered what should I do next? This seminar will help you to add confidence and direction to your work regardless of your media.

David has been a professional artist and illustrator for over 35 years. He has a Master of Fine Arts degree from the University of Wisconsin- Madison. He has taught extensively and specializes in Watercolor and Plein Air Painting. In July 2021, he won the award for best watercolor at Plein Air Easton, the largest outdoor painting competition in the country.

Wherever you are on your artistic journey, whether professional or amateur, David's hands-on approach and personal attention will provide you with new and positive ways to approach your painting. Space is limited for this special workshop.
