INSTRUCTOR: Stevo Sadvary is a master of mosaic finery and textile art who comfortably inhabits this unique artistic niche in the Pittsburgh area. Stevo, who grew up in Washington county and studied weaving and textiles at Edinboro University, has lived in Pittsburgh since 1989. Stevo, the owner and principal artist of Stevo Mosaics, has completed numerous private commissions ranging from kitchen backsplashes, showers, and fireplaces to pet portraits, corporate lobby art, and commercial signage. This includes signs for Mt. Lebanon Floral and Ona. Possessing a natural talent for working closely with his clients, he intuitively tailors his commissioned designs to suit their needs and visions. He often uses Photoshop to create digital montages that assist clients in envisioning the final work of art.
